FUNDING

Grant number: T32 AI 052071 PI Name (PI): Kwang Sik Kim, MD 7/1/2002-7/31/2017

Title of Grant: Training Grant

Description of Grant: Pediatric infectious disease fellowship training grant

Your role: Trainee

CLINICAL ACTIVITIES

Clinical Focus

My clinical focus relates to treating children and adults with invasive bacterial, fungal, virus, parasitic, and mycobacterial infections both in the inpatient and outpatient setting. I have an additional focus on the care and treatment of youth adults living with HIV in the outpatient setting.

Certification

Medical, other state/government licensure

2014-present Maryland Medical License

Boards, other specialty certification

2014-present Board Certified, Internal Medicine

2015-present Board Certified, Pediatrics

2018-present Board Certified, Infectious Disease

2018-present Board Eligible, Pediatric Infectious Disease

EDUCATIONAL ACTIVITIES

Teaching

Classroom instruction

2015-present Lecture, 3rd and 4th year medical students, Respiratory Infections, 1/year

2015-present Lecture, pediatric and internal medicine/pediatric residents, Noon Conference, 1/year

CME instruction

2017 Presenter, Pediatric Trends CME Conference, Johns Hopkins University

2019 Presenter, Diagnosis, Care, and Management of Persons with HIV/AIDS Course, Johns Hopkins School of Nursing

RESEARCH ACTIVITIES

Research Focus

My research focuses on improving health outcomes in youth living with HIV through implementation and assessment of interventions to improve retention in care and clinical outcomes, including virologic suppression.

ORGANIZATIONAL ACTIVITIES

Journal peer review activities

2016 International Journal of Acquired Immune Deficiency Syndrome

2017 Pediatric Infectious Disease Journal

2019 AIDS Patient Care and STDs Journal

Professional Societies

2014-2017 Member, Pediatric Infectious Disease Society

RECOGNITION

Awards, Honors

- 2010 Gold Humanism Honor Society, University of Maryland School of Medicine
- 2016 Pediatric Infectious Disease Society ID Week Poster Award
- 2018 Conference on Retroviruses and Opportunistic Infections new investigator scholarship
